RE: Windsor Securities, LLC and/or Related Entities v. Jule Rousseau and
Arent Fox, LLP

Dear Mr. Rousseau:

This firm has been retained by Windsor Securities, LLC and related entities to pursue claims resulting from your involvement in certain life insurance settlement transactions, including but not limited to the recently concluded arbitration involving the Bitter insurance policy.

The claims of our clients extend to and thereby also include similar life settlement contracts and insurance contracts with which you and your firm have had significant direct involvement and with which you certainly have great familiarity.

The claims of our clients substantially exceed \$10,000,000.

Demand is hereby made that you immediately cease and desist from any further involvement in any matter or matters affecting our clients aforementioned.

Demand is also hereby made that you immediately take all steps to preserve and protect all of your records, your firm's records, and our client's records, and that you immediately initiate a program to ensure that no documents are deleted from your and/or your firm's computer system or any other system.

We request that you immediately forward this communication to your and/or your firm's insurance carrier and also to your firm's managing partner.

Steven Prusky has wanted to speak with you about this, but I have advised him not to do so and allow communications only through me. Please take no steps to contact our clients.

Please contact me with any questions.

Thank you.

Very truly yours,
